# Why Moments by Candice – Photography?

- Your wedding day is the most memorable and monumental event in your life. While the day itself may only last a short time, we understand that you've invested an incredible amount of thought and care into it choosing the perfect gown, flowers, venue, and decorations to make it the most magical day, worth reliving over and over again. Choosing the right photographer to capture beautiful portraits of that perfect day is essential. That's where we come in! With our experience and attention to detail, we will be sure that we meet your expectations.
- The last thing you need is to worry about your photographer. You let us worry about the photography, you worry about enjoying your wedding day! By hiring Moments by Candice - Photography, you can rest assured that we have your best interest at heart. We are a husband and wife team who understand the importance of capturing your magical day!
- We will meet with you, spend time getting to know YOU, before your big day, so that each photo and portrait we capture reflects your style and personality. We take the time to carefully plan and craft the best strategy for capturing every perfect moment of your special day – while having fun in the process!
